

ADVISORY ON CORONAVIRUS

Coronaviruses are a large family of viruses that cause illness ranging from the common cold to more severe diseases. **SYMPTOMS** include respiratory symptoms - fever - cold & cough

DON'T

Go near live animals, including poultry & birds

Eat raw and undercooked meats

Be in crowded places and around people who are unwell

Travel abroad to infected cities especially South East Asia

DO

Wash hands frequently with soap

Wear a mask if you have a cough or runny nose

Cover your mouth with a tissue paper when coughing or sneezing

See a doctor if you feel unwell

Drink lots of water and eat foods rich in Vitamin C

AT MEDHAAM WE ARE TAKING FOLLOWING ADDITIONAL PRECAUTIONS:

- Strict Hand Sanitizing regime is being followed when entering the school building
- Hand washing routine after washroom, before & after meals and after coming back from outdoors
- Cancelled all outdoor field trips
- Sending children suffering from cough/cold/fever/breathing issues back home until fully recovered
- Monitoring if any staff member has severe cough/cold/fever/breathing issues
- Daily disinfection of all classroom surfaces with dettol water
- More frequent water breaks
